

Chair.

SPEAKER NICHOL: Okay.

SENATOR WARNER: I assume if the issue is carried over, it is not only carried over for closing.

SPEAKER NICHOL: What did you...what do you...did you want it to be debated tomorrow? Is that what your question is? Or do you wish to...

SENATOR WARNER: No, I am willing to accommodate...I just wanted to be sure that Senator Lynch did not feel that all he had to do tomorrow was close and there would be a vote because I assume if we are continuing the discussion, then we are continuing...or I am willing to vote now. I am, you know, I'm a very accommodating guy.

SPEAKER NICHOL: I'm an accommodating fellow too, but...

SENATOR WARNER: Even when I don't like it I am accommodating.

SPEAKER NICHOL: All right. Mr. Clerk, do you have anything further to read into the...?

CLERK: Mr. President, new bills.

SPEAKER NICHOL: Please let the Clerk read in and then we will continue on with the conversation.

CLERK: Mr. President, new bills. (Read LB 891-896 by title for the first time. See pages 211-12 of the Legislative Journal.)

Mr. President, there are further...I have a rules change from the Rules and the Executive Board to be inserted in the Journal. (See pages 212-13 of the Legislative Journal.)

Senator Vickers would like to remind the body that there is a meeting of the LR 267 Special Education Committee in Room 1517 upon adjournment. That is the LR 267 Special Ed Committee in Room 1517.

Mr. President, Senator DeCamp would ask unanimous consent to withdraw his name from LB 754.
